

Company FAQ

Company Name	TCS (Tera Company Service)
Document Title	Company FAQ
Policy ID	TCS-HR-999
Version	1.5
Effective Date	01-Jan-2026
Last Updated	01-Sep-2026
Document Owner	Human Resources
Department	Human Resources / IT / Finance
Confidentiality	Internal Use Only

1. Purpose

This FAQ document provides short, direct answers to the most common questions employees ask about HR, IT, leave, WFH, attendance, onboarding, benefits, travel, expenses, training, and security at TCS. It is intended as a quick-reference companion to the full policy documents.

2. Scope

Applies to all TCS employees as a general reference; the detailed policy documents remain authoritative in case of any discrepancy.

4. HR

How do I apply for leave?

Log in to the Leave Management System (LMS) on the employee portal, select the leave type, dates, and reason, and submit. Your Reporting Manager approves it. See the Leave Policy (TCS-HR-002) for full details.

Where can I find my employee policies?

All HR, IT, and Finance policies are published under Policies > HR Documents on the employee portal at portal.tcs-internal.com/policies.

How do I update my personal or bank details?

Go to 'My Profile' on the employee portal and update details directly, or raise an HR Helpdesk ticket for changes requiring document verification (e.g., bank account changes).

What is the probation period at TCS?

6 months from the date of joining, with reviews at 3 and 5 months, as described in the Employee Handbook (TCS-HR-001).

How can I report a workplace issue?

Raise a Grievance ticket on the employee portal, email hr.helpdesk@tcs-internal.com, or contact your HRBP. See the Employee Grievance and Complaint Policy (TCS-HR-015) for detailed steps, including anonymous reporting options.

5. IT

How do I contact IT support?

Raise a ticket via the employee portal's IT Support module, email it.support@tcs-internal.com, or call Ext. 1200. Urgent issues affecting client work should be marked 'High Priority' for faster response.

How do I request a new laptop?

Submit a request via the employee portal's IT Asset Request form, with justification and manager approval. Standard refresh cycle is every 4 years; see the Laptop and IT Equipment Policy (TCS-IT-001) for damage, loss, and replacement procedures.

I forgot my password — what do I do?

Use the 'Forgot Password' option on the login screen to reset it via MFA verification, or contact the IT Helpdesk if locked out. See the Password and Access Control Policy (TCS-IT-004).

Why can't I access a system from home?

You likely need to connect via the company VPN first. See the VPN and Remote Access Policy (TCS-IT-003) for the login process and troubleshooting steps.

6. Leave

How much casual time off does an employee get every year?

12 Casual Leave days per calendar year, plus 10 Sick Leave days and 18 Earned Leave days. See the Leave Policy (TCS-HR-002) for accrual and carry-forward rules.

What happens if I take leave without getting approval?

It is treated as unauthorized absence under the Attendance and Working Hours Policy (TCS-HR-003), resulting in possible loss of pay. Always apply and receive approval through the LMS in advance, as required.

by the Leave Policy (TCS-HR-002).

7. WFH

How many days can I work from home?

Up to 2 days per week under the standard hybrid model, with a minimum of 3 days in office, per the Work From Home Policy (TCS-HR-004).

Can I work from home while I am on probation?

Generally no for routine WFH, though Emergency WFH may be approved case-by-case by your Reporting Manager and HRBP. See the Work From Home Policy (TCS-HR-004) and Onboarding Policy (TCS-HR-006).

8. Attendance

What are the standard working hours?

9:30 AM to 6:30 PM IST, Monday to Friday, with a flexible start window between 8:30 AM and 10:30 AM, provided Core Hours (11:00 AM–4:00 PM) are honored. See the Attendance and Working Hours Policy (TCS-HR-003).

How can I correct an attendance mistake?

Raise an Attendance Correction Request on the employee portal within 3 working days of the discrepancy.

9. Onboarding

What documents are required during onboarding?

Government photo ID, PAN card, educational certificates, relieving letter and payslips from your previous employer, bank details, photographs, and address proof. See the Onboarding Policy (TCS-HR-006).

What happens during employee induction?

You're introduced to the Employee Handbook, Leave Policy, benefits enrollment, payroll setup, your HRBP, and are assigned a workplace Buddy for your first month.

10. Benefits

What health benefits are provided?

Group Mediciam Insurance of ₹5,00,000 per family (floater), covering up to 4 dependents, plus Life and Accident Insurance from Day 0. See the Employee Benefits Policy (TCS-HR-005).

Is internet reimbursement available?

Yes, up to ■1,500/month for employees on an approved WFH or hybrid schedule, claimed via the Expense module.

11. Travel

Who approves business travel?

Your Reporting Manager approves the Travel Authorization for domestic trips; international travel additionally requires Vice President-level approval. See the Travel Policy (TCS-FIN-001).

What expenses are covered during business travel?

Flights/trains, hotel stays within city-wise caps, local transport, a Daily Allowance, and meals, as detailed in the Travel Policy (TCS-FIN-001) and Expense Reimbursement Policy (TCS-FIN-002).

12. Expenses

How can I claim a business expense?

Submit an Expense Report on the employee portal with receipts within 15 calendar days of incurring the cost. See the Expense Reimbursement Policy (TCS-FIN-002).

What happens if I don't have a receipt?

For amounts below ■500, a self-declaration is allowed (max 2 per report). Above ■500, a valid receipt is required, or the claim may be rejected.

13. Training

Does the company pay for certifications?

Yes, up to ■40,000 per employee per year for approved certification exam fees, reimbursed after successful completion. See the Training and Learning Policy (TCS-HR-013).

Which training programs are mandatory?

Information Security Awareness, POSH, Code of Conduct and Business Ethics, and Data Privacy Fundamentals, to be completed within 15 days of joining and refreshed annually.

14. Security

What should I do if I receive a suspicious email?

Do not click links or open attachments. Use 'Report Phishing' to forward it to the Security Operations Center. See the Cyber Security Policy (TCS-IT-002).

Can I use public Wi-Fi while working?

Only if connected via the company VPN at all times; direct access to company systems over public Wi-Fi without VPN is not allowed.
