1. Purpose

This policy describes the benefits provided to TCS employees to support their health, financial security, and overall wellbeing.

2. Scope

Applies to all confirmed full-time employees; specific benefits may vary for probationary and contract staff as noted.

3. Definitions

Enrollment Window	The annual period during which employees can select or modify benefit plans.
Dependent	Spouse, children, and parents/parents-in-law as defined under the insurance policy.

4. Health Insurance

TCS provides **Group Medicaclaim Insurance** covering the employee and up to 4 dependents (spouse, up to 2 children, and 1 parent or parent-in-law) with a sum insured of **■5,00,000 per family** on a floater basis. Coverage begins from the date of joining, with no waiting period for confirmed employees. Employees on probation are covered from day one as well. Cashless treatment is available at over 6,000 network hospitals

via the insurance partner's mobile app and card.

5. Life Insurance

All confirmed employees are covered under a **Group Term Life Insurance** policy equal to 3 times their annual fixed salary, at no cost to the employee. Nominee details must be updated in the employee portal under Benefits > Insurance Nominees within 30 days of joining or any change in family status.

6. Accident Insurance

TCS provides **Group Personal Accident Insurance** covering accidental death and permanent disability, with a sum insured of **₹10,00,000**, applicable to all employees including those on probation, effective from the date of joining.

7. Wellness Programs

TCS offers an Employee Wellness Program including free annual health check-ups, monthly on-site yoga and fitness sessions, and a subsidized gym membership reimbursement of up to **₹1,000** per month. Mental health support is available through the Employee Assistance Program described below.

8. Employee Assistance Program (EAP)

All employees and their immediate family members have free, confidential access to the Employee Assistance Program, which provides up to 6 counseling sessions per year (in person or virtual) covering mental health, stress management, financial guidance, and family matters. The EAP is operated by an independent third-party provider and is fully confidential — details of usage are never shared with TCS management.

9. Meal Benefits

Employees working from office locations with an on-site cafeteria receive subsidized meals at a nominal cost. Where an on-site cafeteria is not available, employees receive meal vouchers/digital meal credit of **₹2,500** per month, credited on the 1st of every month.

10. Transportation Benefits

TCS provides company cab facilities for employees working shifts starting before 7:00 AM or ending after 9:00 PM, covering pick-up and drop within a 25-km radius of the office. Employees commuting during standard hours may claim conveyance allowance as part of their salary structure or fuel reimbursement under the Expense Reimbursement Policy (TCS-HR-012) for approved business travel.

11. Internet Reimbursement

Employees on an approved regular Work From Home or hybrid schedule (see Work From Home Policy, TCS-HR-004) are eligible for an **internet reimbursement of up to ■1,500 per month**, claimed by uploading the broadband bill via the Expense module on the employee portal. Yes, internet reimbursement is available for all employees on an approved WFH or hybrid arrangement, including those working remotely 1–2 days per week.

12. Learning Benefits

TCS reimburses professional certification fees up to ■40,000 per employee per year, and provides free access to LinkedIn Learning and Coursera for Business, as detailed in the Training and Learning Policy (TCS-HR-013).

13. Eligibility Requirements

Health, life, and accident insurance are available to employees from the date of joining, including those on probation. Meal, transportation, and internet benefits are available from the date of joining or the date a WFH schedule is approved, respectively. Certain benefits, such as gym reimbursement, are available only to confirmed employees.

14. Benefit Enrollment Process

New employees are enrolled in default health, life, and accident insurance automatically during onboarding (see Onboarding Policy, TCS-HR-006). Employees can add or modify dependents, opt for a higher insurance tier at their own cost, or update nominee details at any time via the employee portal under Benefits, or during the Annual Enrollment Window typically held in April.
